L905/5 dated 14-3-46

Request sanction of Govt to the purchase of the materials required in connection with the improvement of water supply in Bangalore city at a cost of Rs 3,23,000/ pending payment of the balance amount by the Municipality

1) In G.O.-No. L19-22, dated 11-10-45 sanction was accorded to an estimate amounting to Rs 3,81,647/ for the improvement of water supply in Bangalore city, half the cost of the scheme being met by the Govt and the balance amount being met by the Municipal Council

2) This estimate provides for the purchase of the required materials at a cost of Rs 50,000/ through the Secretary S P C

3) The Chief Engineer for Irrigation has reported that a modified estimate

amounting to Rs 4, 71, 927, containing necessary provisions to cover the cost of all material. Has been forwarded to the Municipal Town Bangalore city, for Counters signature, and for placing the municipal quota of Rs 45,140 C being half of the above amount at the disposal of the P.W Depa-

4) It is stated that a provision of Rs 3, 23,003/ has been made in the above Revised estimate, towards the cost of all the materials required

5) The proposal involves the allotment of an additional amount of Rs 45,140- by the Government-

6) In view of the urgency, the Chief Engineer has already placed orders, towards the S.P.C for the purchase of the required materials

7) The Chief Engineer has requested sanction to the purchase of the materials at a cost of about Rs 3, 23, 000/, pending payment of the balance amount by the Municipality

13) The revised estimate for Rs 4, 71, 927- for the improvement of water supply in Bavalure city has to be sanctioned by Govt; in consultation with Financial Dept

The original estimate was for Rs 3, 81, 647 now it is modified to Rs 4, 71, 927 Half of the extra cost to the extent of Rs 45,140- has to be borne by the Government

14) The main pipe leading to Jo-no L 19-22 dated 11-10-45, has been submitted ~~to Govt~~ separately

15) The original estimate for the improvement of water supply in Angalwarapet was for Rs 3.81,647 it has been sanctioned in the year vide 11 10 45, half the cost thereof being ordered to be met by the Govt & the balance by the Municipality

16) The above estimate has been revised to Rs 4,71,927 the excess cost is Rs 90,280 Already in the original order dated 11 10 half of the excess cost amounting

for Rs. 45-140/- will have to be met by the Govt. the balance equal to the above amount being met by the Municipality which the Municipality have received approving the revised estimate & the Govt Contribution corresponding to estimate also

17/A Hence the revised estimate for Rs 47152 may be sanctioned, the cost thereof being met by the Govt & the Municipality in equal proportions

18 The Chief Engineer for Irrigation has requested that, in view of the urgency of the work, it is necessary to purchase materials at a cost of Rs 323000 and requests sanction thereto. It is said that this would meet the full requirements of the scheme Hence this proposal may also be sanctioned.

IMPROVEMENT OF WATER SUPPLY IN BANGALORE CITY,
BY LAYING TRUNK MAINS IN EAST & WEST ZONES

With reference to your letter No L 5590/E dated 21st December 1945 regarding purchase of materials in connection with the above work, I have the honour to state that, a modified estimate amounting to Rs 471927/- containing necessary provisions to cover the cost of all the materials is reported to have been forwarded to the Municipal Commissioner, Bangalore City Municipality The Municipal quota of Rs 1,90,825/- against the original sanctioned estimate of Rs 3,81,647/- is stated to have been placed at the disposal of the Executive Engineer, Water Supply Division The difference between the sanctioned and the modified estimates is Rs 90,280/- and half of this sum has to be paid by the Municipality The Executive Engineer, Water Supply Division, while sending the modified estimate for the countersignature of the Municipal Commissioner has also asked for the balance quota being placed at his disposal

2 To avoid interruptions in the water supply, it is very essential to execute these works as early as possible

As already stated in this office letter No 846/S dated 29-11-1945 orders have been placed through the Stores Purchase Committee, for the required materials

4 The cost of all the materials, for the full requirements, is expected to be Rs 3,23,003/- as per statement enclosed

5 In view of the urgent need for the work, I request you to be so good as to communicate early sanction of Government to the purchase of the materials at a cost of about Rs 3,23,000/- pending payment of the balance amount by the Municipality

I have the honour to be

Sir,

Improvements of water supply in Bangalore City - Laying Trunk Mains in East & West Zones

Adverting to your letter No L 12953 dated 22-5-1946 and subsequent reminder thereon in D O No L 14132 dated 19th June 1946, I have the honour to state that the revised estimate amounting to Rs 4 71,927/- for the above, referred to in this office letter No 1905/3 dated 14-3-1946, is seen to have been submitted to Government by the Municipal Commissioner with his letter No A7 P R 40-c 305/44 dated 6-4-1946 after obtaining the approval of the Municipal Council thereto

2 It is since reported by the Executive Engineer Water Supply Division, that the materials required for the west - zone only have been ordered (through Stores Purchase Committee) at a cost of Rs 1,49,000/- which has partly been executed to the extent of Rs 46 000/- and adds that the materials for the East Zone have to be ordered after the question of water supply to the T B Sanitorium beyond the Municipal boundary is decided, as on that account it is felt necessary to increase the - - capacity of the main

3 The outlay on the west zone till the end of June 1946 is stated to be Rs 55,000/- and it was met out of the Municipal quota of Rs 1,90,825/- paid against the sanctioned estimate of Rs 3,81,647/- and accounted for under 17(a) P W Deposit - - Contribution The Government grant has not yet been utilised

4 The proportionate balance quota payable by the Municipality towards the revised estimate pending sanction is (4,71,927 - 3,81,647)= 90,280/½ = Rs 45,140/- unless the Municipality is directed to meet the entire difference between the sanctioned and the revised estimate, viz , Rs 90,280/- and the Executive Engineer is said to have addressed the Municipal Commissioner for the payment of the balance of Rs 45,140/-

5 The Executive Engineer proposes to take up all the works during 1946-47 and the entire amount has been requested for to be placed at his disposal for meeting the expenditure

6 The head of account under which the Government grant for the works has to be met may kindly be intimated

7 Early orders may kindly be conveyed

B a n g a l o r e

Sir,

Improvement of water supply in Bangalore City - Laying Trunk mains in East and West Zones

With reference to correspondence ending with this office letter No 97/S dated 12-7-1946 in regard to the execution of the above works, I have the honor to state that separate proposals are being - formulated for water supply to the new T B Sanitarium and the new - extension thereat and thus there is no need to increase the size of th East Zone 15" trunk main from the Low Level Reservoir to the new Menta Hospital In order to push through these urgent improvement works, th Executive Engineer has since requested the Mysore Iron and Steel works Bhadravati to arrange for the supply of the required materials for the East Zone also

I, therefore, request you to be so good as to convey early - sanction of Government as already requested to the purchase of all t materials at a cost of about Rs 3,23,000/- debiting the cost to the wor estimate to arrange for placing at the disposal of the Executive Engir Water Supply Division the Government share of cost and to intimate the head of Account under which the Government grant for the works has to b n e t

The revised estimate may also be kindly forwarded to this offic with the Administrative Sanction of Government thereto early to obtain necessary technical sanction to the same

I have the honour to be
S i r,
Your most obedient servant,

CHIEF ENGINEER FOR IRRIGATION
